Louisiana Community Marketplace

Shop Local

Support Non-Profits

Make a Difference

Requirements

- Program must be an e-commerce website

- Must allow people to browse and purchase items in multiple ways

- Must give HOPE valuable information about orders, product popularity, etc.

- Multiple payment methods

About the LCM

- Louisiana Community Marketplace (LCM) is a website that enables non-profit organizations to sell their merchandise on the web.

- Operated by HOPE, who deducts a very small percentage of the portion of the proceeds to sustain the operation

Why is this a good idea?

- Supports non-profit organizations

- Supports the community

- Enables good organizations to grow

- Publicity for smaller organizations

Solution

- Modified OpenCart, a popular open source e-commerce platform

- Used PHP and MySQL

- Runs on Apache or IIS
